

Parents,

Due to the large number of staff members that will be entering COVID-19 quarantine the middle school will be returning to Remote Learning from November 9th through November 19th. We will look to reopen on November 23rd.

We will begin Zoom sessions on Tuesday, November 10th. We will be using the same Zoom schedule that we used during our first Remote Learning, which is located on the front page of the district website and on the district's Facebook group. Please make sure that your student(s) are logging into the Zoom sessions. Zoom links will be shared via your student's Google Classrooms. If your child is going to be absent, please call into the school to excuse them as we will be taking attendance via Zoom.

On Monday, November 9th from 8am to 6pm, the front office will be open so that you can gather anything your child needs from their locker to complete coursework during Remote Learning. We will also be checking out Chromebooks to those who need one during this time. If you need internet access, please let us know so that I can help to alleviate this obstacle. Please do not hesitate to call the school office Monday-Thursday at 719-346-5440 with any questions or concerns you may have.

Grab and Go Breakfast and Lunches will be provided each school day on the east side of the middle school building from 7:30am to 9am.

I apologize in advance for any hardship or inconvenience our return to Remote Learning may cause you and your child. I thank you for your understanding and patience as we continue to work together to provide your child with an education during the continued adversities of 2020.

Sincerely,

S. Shane Walkinshaw
Principal
Burlington Middle School
