

Go to zoom.us, then click on Resources and select Download Zoom Client:

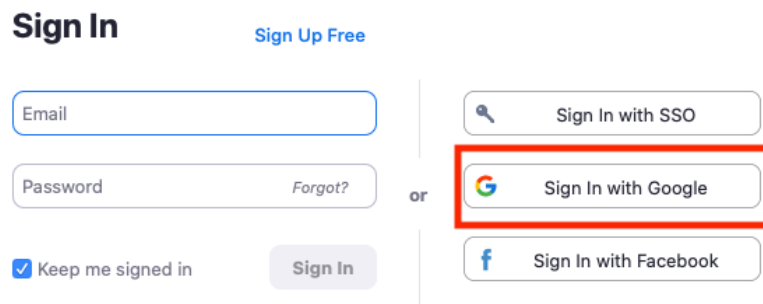

Download the program and follow the install instructions:

Zoom Client for Meetings

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

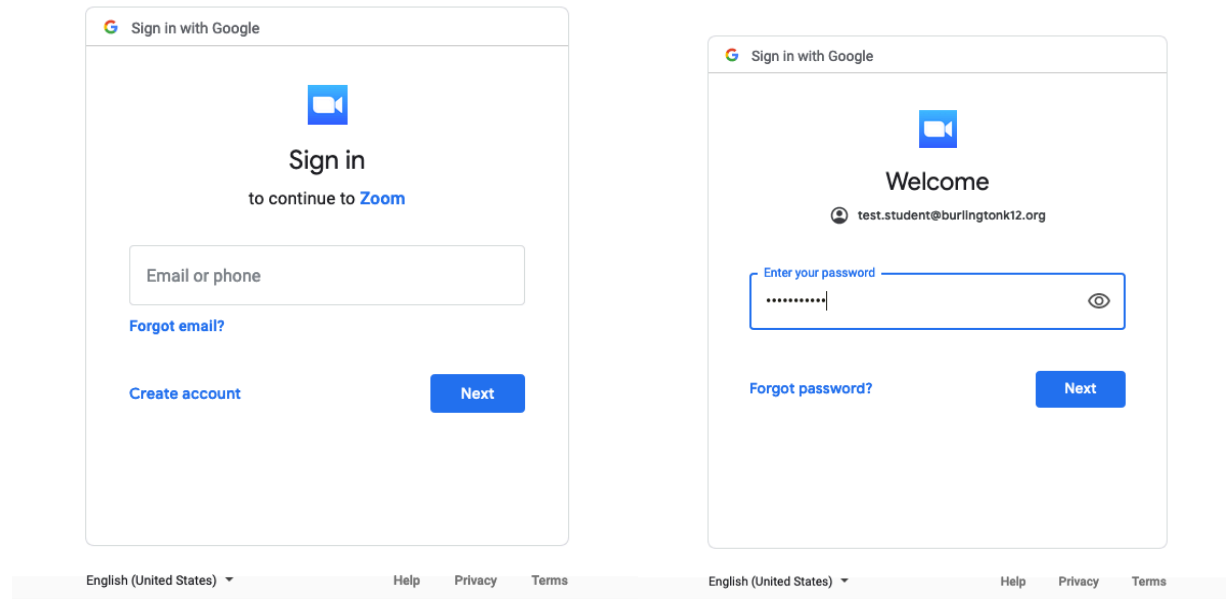

The student will use their burlingtonk12.org email address and password to sign in. To do so, click on Sign In with Google:

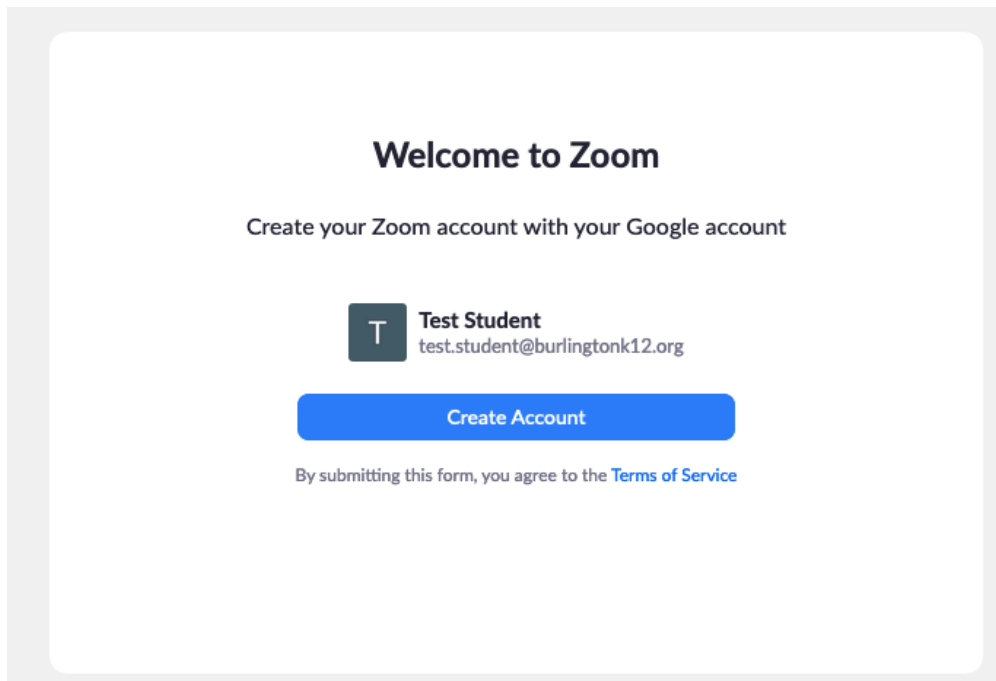

< Back

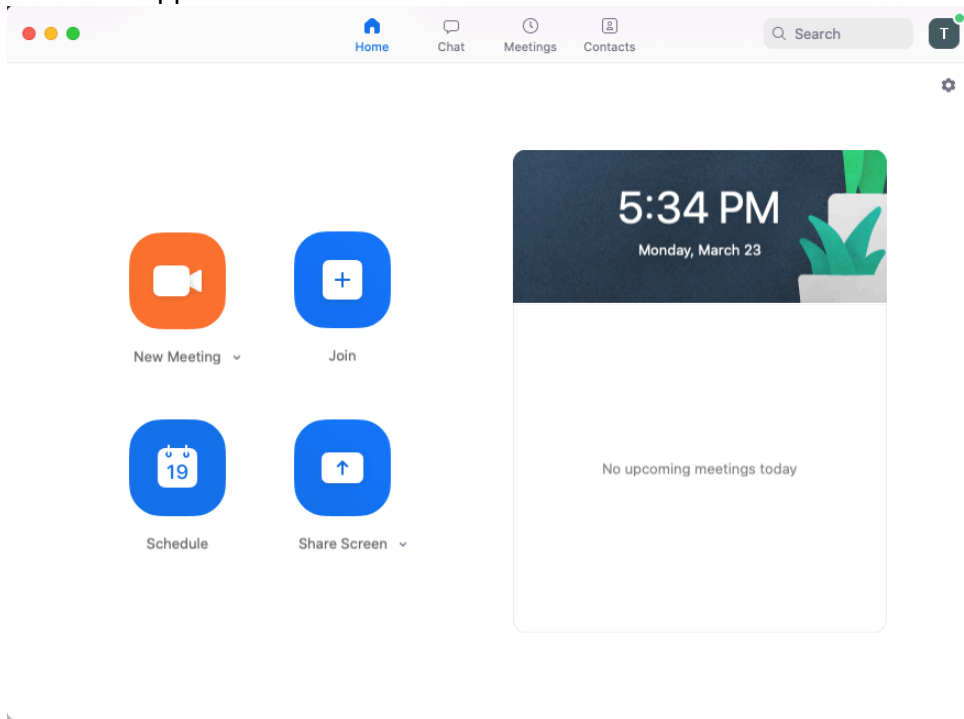

A browser window will pop up. Fill out the email address and password:

Click Create Account:

The zoom app should then load with this screen:

To Join a meeting, click the Join icon and fill in the Meeting ID:
